CANCOM UK is committed to social and environmental responsibility and has zero tolerance for slavery and human trafficking. We fully comply with the Modern Slavery Act 2015 and expect and ensure our suppliers operate responsibly and compassionately.

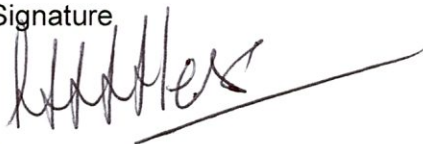

## Supply Chain Management

We will internally review our supply chain to evaluate human trafficking and slavery risks; we will also conduct supplier audits which review all aspects of the supply chain including safety, human trafficking, child labour and other legal requirements.

## Further Action

Following our review of our actions this financial year to prevent slavery or human trafficking from occurring in our business or supply chains, we intend to take the following further steps to tackle slavery and human trafficking: introduction of new and or updated policies or procedures, and training for relevant staff.
